

# Office of International Migration: Locations of PRM Migration Programs

PRM's migration programs address cross-border mixed migration flows by:

- providing direct assistance to vulnerable migrants
- building government capacity to identify protection concerns and implement humane migration management practices
- supporting regional dialogues on migration
- promoting cooperation between IOM and UNHCR

### Program Areas

- Mesoamerica
- Caribbean
- Egypt
- Horn of Africa/Gulf of Aden
- Southern Africa
- East Asia
- Greater Mekong Subregion

Names and boundary representation are not necessarily authoritative.
