World Humanitarian Day, August 19, is dedicated to recognizing humanitarian personnel and those who have lost their lives working for humanitarian causes.

NOTE: Designation of the severity categories and types of crisis shown are derived solely from the ACAPS Global Emergency Overview (as of August 18, 2016). Armed conflict refers to organized non-state armed groups fighting against a government and/or other actors. Violence refers to prevalent criminal, gang, or disorganized sectarian violence that exacerbates humanitarian conditions.

Names and boundary representation are not necessarily authoritative
